AMENDMENT

Commissioner of Patents and Trademarks
Assistant Commissioner for Patents
Washington, D.C. 20231
Sir:

In response to the Office Action of July 16, 2002, please amend the above-referenced patent application as follows:

In the Specification:

Page 9, line 6 (in the paragraph beginning on page 8, line 27) before "about" add --preferably-- and add after "3.5" before the ".": --but may be in the range of 2.0 to 4.5--. Support for this amendment is found in claim 26 as filed. A clean form of the replacement paragraph is:

(amended) In the preferred product composition of the invention, there is at least about ½ % of an olive extract, preferably utilizing the extracted olive leaves as described above; 5-25% L-ascorbic acid (vitamin C); ½ - 2% vitamin E component(s); and ½ - 2% vitamin A. Most preferably the formulation comprises 1% of the final olive-leaf extract of claim 1; 15-20%
